

Website Accessibility

This is an accessibility statement from the Indian Mountain Metropolitan District.

Indian Mountain Metropolitan District is committed to making its information and communication technologies accessible to all.

Conformance Status

Meeting accessibility standards is an ongoing process and Indian Mountain Metropolitan District will continue to work toward increasing the accessibility of our site.

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Indian Mountain Metropolitan District is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Third-Party Sites

Throughout this website, we make use of different third-party websites, which are not controlled by indianmountain.info. When you click a link from indianmountain.info that leads to a third-party website, Indian Mountain Metropolitan District cannot guarantee that the third-party website will be in conformance with WCAG or comply with the accessibility requirements set forth by applicable law.

How can I request accommodations or provide feedback?

We welcome comments on how to improve this website accessibility for users with disabilities and requests for accommodations to any Indian Mountain Metropolitan District services. We aim to respond to comments and requests within 5 business days.

To request accommodations or report inaccessibility, please contact:
