

## **Volunteer Luncheon October 19, 2024**

The volunteer luncheon was a cozy affair. Jeanne Wells made her famous sloppy Joes and Jeff and Nickie Mason brought their wonderful green chili. Pat Smith did an excellent job at the grill. For the raffle Carol Darland and IMPOA made sure we had plenty of fun and beautiful gifts, and Cindy Kremer donated some wonderful carvings. Everyone enjoyed the good food, lovely deserts and good company. Next year we plan to have the luncheon earlier in the year so that all the snowbirds can attend as well. Thanks to all our wonderful volunteers who make our endeavors a success!
