

Indian Mountain Annual Picnic – July 4, 2026

The picnic was a lot of fun. IMCA had the event catered by Maverick's BBQ, who provided much appreciated brisket, spicy brats and pulled pork. The attendees brought a huge quantity of delicious appetizers, side dishes and deserts. Chuck Atkinson brought the very popular treasure chests for the kiddos raffle. Adult raffle prizes were made by a variety of local artists. Thanks to everyone who donated raffle prizes. Also thanks to all the volunteers who helped IMMD and IMCA with set up, coordination and break down. Thanks to Fire Chief Trent Smith for talking to us about fire mitigation and to Jeff Mason for his speech and drone pictures. Please enjoy the pictures below.
